Supplemental Information and Disclosure Statement
Dated November 11, 2020

1. On October 13, 2020, the board of directors of Sixty Six Oilfield Services, Inc. (the “Company”) (whose trading symbol is “SSOF” and who was previously named 665 Energy, Inc. and Zimmerman Biopharma Holding, Inc.), composed of David J. Wood and Ronald E. Zimmerman, approved the rescission of the acquisition of Zimmerman Biopharmaceuticals, Inc. The rescission was requested and agreed to by the original stockholders of Zimmerman Biopharmaceuticals, who were also Messrs. Wood and Zimmerman. The rescission was based on omission of material adverse information about the Company’s liabilities that was not known by Messrs. Wood or Zimmerman, but by only one former director/officer. The rescission was also based on misrepresentations received from the Company regarding the benefits of having an existing trading market as a basis for selling shares pursuant to a Regulation A offering statement filed with the U.S. Securities and Exchange Commission. The Company (as Zimmerman BioPharma Holding, Inc.) filed a Regulation A offering statement and the Commission advised in August it was prepared to qualify the Company’s Regulation A offering statement. Management was unable to obtain any interest in purchase or distribution of the Company’s shares subject to qualification, in part based on the differential between the Regulation A offering price and the public market price. In consideration for the rescission, Messrs. Wood and Zimmerman have surrendered to the Company for cancellation the shares of the Company’s Series A-1 Preferred Stock, which they had received as consideration for their sale of Zimmerman Biopharmaceuticals, Inc. to the Company. The balance of the remaining Series A-1 Preferred Stock outstanding is owned by Kenneth D. Bland who retains the right to vote as, and to convert into, eighty percent of the Company’s common equity.
2. The board of directors also approved the withdrawal of the Company’s Regulation A offering statement, which withdrawal was filed with the U.S. Securities and Exchange Commission on November 6, 2020. The Company does not expect objection to the withdrawal by the Commission’s staff.
3. The board of directors also approved a change in the Company’s name back to Sixty Six Oilfield Services, Inc. from Zimmerman Biopharma Holding, Inc., which was filed with the Florida Division of Corporations on November 2, 2020.
4. The board of directors elected Mr. Bland as a director and chief executive officer. Mr. Bland was not informed about and has not consented to his election.
5. At surrender of the the Series A-1 Preferred Stock and filing of Articles of Amendment changing the Company’s name, both of which have been accomplished, Messrs. Wood and Zimmerman resigned as directors and officers of the Company.
